

Privacy Statement AVG (EU)

02-08-2019

This is the Privacy Statement of DashAir® B.V.

Named during business operations: DashAir®

Website: <https://www.dash-air.nl>

Applicability

This privacy statement applies to all privacy-sensitive information or personal data that you provide to us, for example via a registration form, contact form or orders you place. We attach great importance to the privacy of our customers and therefore exercise the utmost care in handling and protecting personal data. We process data in accordance with the conditions set in the General Data Protection Regulation (AVG). The General Data Protection Regulation (AVG) is a privacy law that applies throughout the European Union (EU). Thanks to the AVG, the protection of personal data in all EU countries is regulated in the same way and the same rules apply in each Member State.

DashAir® is responsible within the meaning of the AVG regarding the processing of your personal data. This means that only we determine which personal data are processed, with what purpose and in what way. We are responsible for your personal data being processed in a proper and careful manner in accordance with the AVG. In this privacy statement we explain which data we process and for what purposes they are used.

Overview of personal data

Below you will find an overview of the personal data we are dealing with to process our webshop.

- First and last name
- E-mail address

Purpose and principles of processing personal data

By agreeing to this privacy statement you explicitly give permission in the sense of article 6 paragraph 1 sub a of the AVG for the processing of your personal data for the following purposes. You can withdraw this permission at any time. However, if you do not provide certain information to us or do not have it processed by us, we may not be able to serve you properly.

If you have not given us explicit consent to the processing of your personal data or if you have withdrawn this consent, the basis of the processing of your personal data may be based on Article 6 paragraph 1 sub b, sub c and / or sub f of the AVG. apply. Processing of your personal data can in that case take place without your permission, provided this is necessary for the execution of an agreement to which you are or become a party, or necessary for the representation of the legitimate interests of DashAir®. In addition, there may be a legal obligation on us to process your personal data.

We process your personal data for the following purposes:

- To be able to answer your question via "Contact" in the footer of the website

We do not store your personal data for longer than strictly.

Provision to third parties

We may share your personal data with third parties if this is compatible with the aforementioned objectives. Provision to third parties may be necessary for the execution of the agreement that we conclude with you for the representation of a legitimate interest of ours, or to comply with any legal obligation that is vested in us. With companies that process your data in our order, we conclude a processor agreement to ensure the same level of security and confidentiality of your data. We remain responsible for these processing operations. Apart from the above situations, we will only provide your personal data to other third parties with your explicit consent.

Commercial goals

Your information will not be sold or shared with third parties for commercial purposes. We may use your personal data to contact you if necessary to inform you about ordered products. In that case you will only be informed at your e-mail address.

Cookies

A cookie is a small text file that is stored on your computer, tablet or smartphone when you first visit this website. You can opt out of these cookies by setting your internet browser in such a way that it does not store cookies anymore. In addition, you can also delete all information previously saved via the settings of your browser.

We use the following cookies:

- Functional cookies: these are cookies that are necessary for the technical operation of the website and your ease of use. They ensure that the website works properly and remembers, for example, your preferences. We can also optimize our website with this. These are analytical cookies that do not infringe your privacy for which we do not require prior permission from you.

Contact

We take the protection of your data seriously and take appropriate measures to prevent misuse, loss, unauthorized access, unwanted disclosure and unauthorized modification. If you have the impression that your data is not properly secured or there are indications of abuse, please contact us.
